

Missouri S&T Staff Council Employee Scholarship Application

The Employee Scholarship Program is intended to assist staff seeking to start or further their higher education. Funds will be awarded twice a year, spring and fall semesters, via application. An Employee Scholarship Review Committee (a five member Staff Council subcommittee) will review and rank the blind applications. These applications are submitted through an online form via the Staff Council website and consist of paragraph(s) stating needs and goals of the applicant. The funds must be used for classes or courses at Missouri S&T or another campus within the UM System (no conferences or seminars). Applicants must be full time (> 75% FTE) permanent Missouri S&T staff members without academic appointment, and have successfully completed six months of continuous employment by application deadline. Applications will be vetted through the Human Resources department for eligibility. All applications are processed by the Advocacy Committee Chair of Staff Council before being sent to the review committee. Current Staff Council and Employee Scholarship Review Committee members are not eligible to apply while serving their term. Each recipient receives \$250.00 to go towards their class or course. If you are currently enrolled in a class or have previously taken the class you are applying for, you are ineligible for consideration. The deadline for applications is June 15 for the fall semester and November 1 for the spring semester.
